# **VISIT THE JERICHO CENTER**

The Jericho Center for Global Evangelism is Every Home for Christ's international headquarters in Colorado Springs, Colorado. While it serves as a headquarters for coordinating the OIKOS Initiative and the many home-to-home evangelism campaigns in the nations of the earth, it is also a day-and-night prayer and worship center.

If you are in Colorado Springs, please visit us for a prayer retreat:

- 1. Join the corporate prayer meetings that take place in the building most days.
- 2. Pray around the Reflection Pond, which is fed by two water sources representing the critical need for prayer and mission to be joined.
- 3. Reserve a private prayer grotto for a time of seeking the Lord and refreshment. All of our prayer grottos are built into a Jerusalem stone wall patterned after the "wall" described in Isaiah 62:6-7 where watchmen interceded day and night. By praying in one of these grottos, you help sustain this day-and-night prayer watch. Please call ahead to reserve your prayer grotto at 1-800-423-5054.

#### YOUR HARVEST IS WAITING...

Because we know how their stories ended, it can be hard for us to comprehend just how overwhelming the Great Commission was for the Early Church. Jesus commissioned His disciples to go into all the world and preach the Gospel to all creation. Yet they were only 12 young men, mostly poor and uneducated. And only days earlier, they had been hiding behind locked doors, fearful and discouraged. Suddenly they go from hiding to the harvest! Their assignment — "all nations" and "every creature"!

The same vision that so captured that first generation of believers has captured the hearts of the global Every Home for Christ family, and that is why the OIKOS Initiative has been launched. It is a simple challenge: reach every OIKOS (the Greek word used in the New Testament for "family" or "household") on the earth with a presentation of the Gospel in one generation.

Saying it is simple — but to actually reach 7.6 billion people on the earth is no easy task. That's a lot of people engaging with the Gospel (approximately 130 million homes to reach each year). We go because we want to be obedient to the call of Jesus, and we go because everyone matters. Think about it: Can you identify a neighborhood on the face of the earth that shouldn't hear the Good News and be touched by the transforming power of Jesus? Can you think of a family or even a person the Gospel shouldn't reach? We can't think of one either and that is why we need you to join the team as well.

Through the OIKOS Initiative 2.5 billion homes are waiting to be reached. We believe God has a personal harvest for all who will get involved. Don't go to heaven without your harvest. Here's how you can participate:

#### You can Pray!

"Don't go to heaven without

your harvest!"

Without prayer, countries shut their doors to the Gospel, and people's hearts remain unresponsive to Jesus' love. With prayer, God's Word runs swiftly through the nations, transforming lives. Prayer is the linchpin of the OIKOS Initiative.

#### You can Partner!

The OIKOS Initiative is the collaborative effort of missionaries around the world, working in concert with faithful giving partners like you. To outfit a global missions movement, supply lines are vital to the success of the front lines.

#### You can Proclaim!

None of us knows the exact day the Great Commission will be completed, but each of us is accountable to do our part with the time we have been given. If Jesus sent us into all the world, we know He will empower us as we proclaim the Gospel wherever we are. (For help to reach your neighbor, visit ehc.org/engagers)

WILL YOU HOLD THE ROPE?

In 1792 the first Baptist Missionary Society was formed in Great Britain. The "Father of Modern Missions," William Carey, was soon to travel down to India to sow his life for the Gospel. Carey is reported to have looked at his fellow believers, all committed to the Great Commission of Jesus, and said, "Well, I will go down, if you will hold the rope."

Carey had grasped a key concept in missions partnership. God supplies for the needs of one part of Christ's Body through the generous gifts of another part.

Indigenous Pioneer Missionaries all around the world are reaching their nations with the Gospel because of the financial partnership of believers like you.

With a vision as challenging as the OIKOS Initiative, we need a multitude of "rope holders"! Perhaps you feel God inviting you to sponsor an entire nation, a city or even a remote village. Whatever the financial amount you can invest, you are claiming your personal harvest

# INTRODUCING EVERY HOME FOR CHRIST AND THE OIKOS INITIATIVE

Since 1946, Every Home for Christ (EHC) has labored to serve the Church to reach every home in 215 nations with the Gospel. During that time, we have seen more than 4 billion salvation messages distributed with millions turning to the Lord for salvation. Testimonies abound of whole communities transformed by the power of the Gospel.

That was then — this is now! A whole new generation has arisen, and as the late Keith Green said, "This generation of Christians is responsible for this generation of souls on the earth." That's why EHC is launching the OIKOS Initiative, a strategic plan to reach every family on Earth with the Gospel in the coming two decades. This task may seem overwhelming, but the same Holy Spirit who empowered the Early Church's disciples is also empowering us.

As International President of EHC, I have long believed that "the degree to which prayer is mobilized will be the degree to which the world is evangelized." And that is why we publish this World Prayer Map to mobilize the Church to pray for the advancement of the Great Commission. And as you pray, determine to become an answer to your own prayers. Join us in partnering to take the Gospel to many thousands of homes this very day (and every day) throughout the world. To enslist: visit www.oikos.global
